E. RETENTION & DATA DELETION

All users may request deletion of a respective profile (user data) up on the look4.pro site by sending a formal request at care@look4.pro. The request is then reviewed and verified for authentication, followed by data deletion. We will use commercially reasonable efforts to honor requests for deletion of user data, but we cannot promise that deletion will occur within a specific time frame. Moreover, we cannot guarantee recovery of any user data for which you have requested deletion. Please note, users do not have the feature or flexibility to delete user data at their end.

F. COOKIES

We make use of "cookies" to keep specific information regarding you as well as track your visit to the Website.

A "cookie" is a certain amount of data that may be delivered to your web browser and saved on your computer's disk drive. A cookie could be sent out to your computer's disk drive as long as you having access to the Website using a working laptop or computer. Unless you erase or de-activate the cookie, whenever you use the similar computer to gain access to the Website, our web servers will likely be alerted of your visit to the Website and in turn we might have knowledge of your visit as well as the pattern of your usage.

Normally, we use cookies to determine you and ensure us to i) having access to your Account Information or Registration Information so that you do not need to re-enter it; ii) gather statistical details about consumption by users; iii) research browsing patterns and help target commercials depending on user interests; iv) assist our partners to monitor user visits to the Website and process orders; and v) track participation and progress in promotions.

You may evaluate if and precisely how a cookie will likely be approved by configuring the web browser that could be installed in the computer system you will be using to having access to the Website. In the event you choose, you may modify those configurations. By set up your business needs in the browser, you may acknowledge all cookies or else you can choose to be alerted whenever a cookie is sent or else you can choose to decline all cookies. In the event you reject all cookies by selecting the cookie-disabling feature in your browser, while you may be needed to re-enter details on the Website more frequently and certain top features of the Website may be inaccessible.

G. MINORS

The Website and its content are not focused to minors (those under the age of 18) and we usually do not intend to offer any of our services or products to minors. Although, we certainly have no reliable way of distinguishing the age of individuals that access our Website. If a minor has providing us with personal data without guardian or parental consent, the guardian or parent should communicate with our Legal Department at the address specified in paragraph D above to eliminate the information.

H. SECURITY MEASURES

We apply commercially affordable security ways to reduce unauthorized permission to access the Website, to retain data accuracy and reliability and to guarantee the appropriate use of the data we maintain.

For subscribed users of the Website, your Account Information and Subscription Information (if any) is generally viewed and edited via your own account, that is protected by a password. We suggest that you may not divulge your password to others. Our personnel will not ask you for your password in an unsought call or in an unsought e-mail. Any time you share a working laptop or computer with other individuals, be careful not to choose to save your log-in details (e .g. user ID and password) on that shared computer system. Make sure to sign out of your account and shut your web browser window after you have finished your session.

Absolutely no data transmitting over the web or any wireless network could be guaranteed to be entirely secure. As a consequence, while we seek to protect the data we hold for everyone, we are unable to assure the security of the data you transfer to us therefore you do so at your own personal risk.

I. CHANGES TO THIS PRIVACY POLICY

Any changes to this Privacy Policy will likely be conveyed by us placing restated and an amended Privacy Policy on the Website. Once uploaded on the Website the recent Privacy Policy is going to be effective immediately. You agree with the fact that any kind of information we keep relating you (as explained within this Privacy Policy and depending on whether gathered ahead of or after the new Privacy Policy turned out to be effective) will be governed by the most recent version of the Privacy Policy.
